BEACONFLAME AND BEACON-WHITE

Beaconflame is being widely introduced as the most Dependable Cut-Flower Red Glad. Price of large corms still remains 50c each.
Beacon-White (Christy’s White Wonder) was purchased last spring, and after one season’s observation (long drought and no irrigation) we offer it as a most Dependable and Prolific Cut-Flower White. It has never been sold for less than $1.00 each.

We are confident that in a few years both the above varieties will be grown by the million for Cutting and Forcing. Get an early start.

To make room for our own seedlings, we sacrifice Planting Stock and Cormels of both varieties at ridiculously low prices (keeping large sizes for premiums).

BEACONFLAME: Medium, $10 per 100; Small, $5
Cormels, $4 per 1000.
(Half and Quarter lots at same rate)

BEACON-WHITE: Medium, $15 per 100; Small, $8.
Cormels, $10 per 1000.
(Prices less than 1/4 Value)
